

"Sacrament of Holy Anointing on Great and Holy Wednesday"

*St. Helena Catholic Church
1367 West 65th Street
Cleveland, OH 44102*

Date: Wednesday, April 7, 2004

Time: 6:00 p.m.

It is the custom to administer the sacrament of Holy Unction/Anointing on the evening of Holy Wednesday.

As described by the Apostle James in his epistle, the purpose of this Sacrament is the restoration of health.

The Holy Spirit descends upon the human person, healing his/her mind and heart, his/her 'mentality' restoring his/her faith and hope that are 'ill', weakened.

It helps us to realize how fragile human life really is and how dependent we are on God, if our life is to have any true meaning.

"This Sacrament is for the healing of both our physical and spiritual illnesses; for our body as well as our soul."

We encourage everyone to participate in this service.

Father Andre Matthews
